

Streamline Purchasing with Internet Parts Purchase

Internet Parts Purchase (IPP) allows you to place parts orders 24 hrs a day, 7 days a week from the convenience of your own location.

IPP provides the following features when ordering parts:

- Look up by full or partial part number or description
- View parts pricing
- View parts availability
- Request a part return
- Order a list of parts using the Quick Order option
- View part number substitutions
- Check availability at other locations
- Receive order confirmation via email
- Choose shipping methods and enter shipping instructions
- Record a lost sale to Traction
- Enter your purchase order number when placing an order

IPP allows you to customize your account:

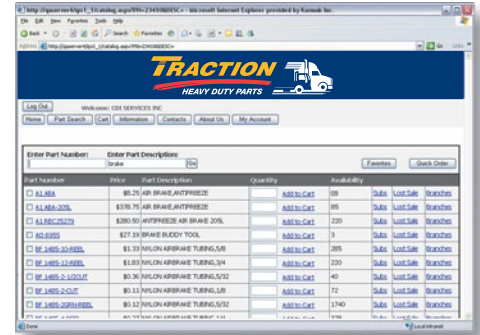

- Create and maintain multiple shopping carts. (For example, create a cart for each day of the week or multiple carts for specific groups of parts or for each bay per shop. Then save your carts and order as needed.)
- Create a list of "My Favorite" parts

IPP lets you place orders by importing files from your PC:

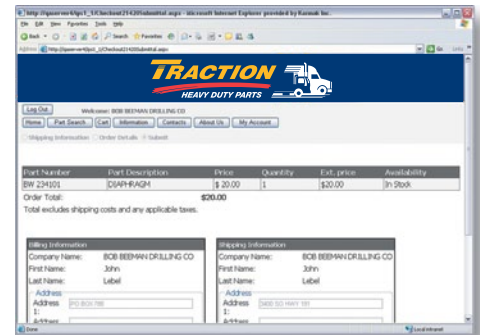

- Import an entire spreadsheet or text file (such as Excel or Notepad files)
- Import a list of parts to "My Favorites"

IPP lets you view the following information about your account:

- Core right-to-return
- Parts order status
- Outstanding backorders
- Recently purchased parts
- Service history
- Account status and balance

The easy-to-use web site lets you quickly check price and availability, and place parts orders from Traction.

Multiple shopping carts and easy access to your service history, account balance, and order status make placing and tracking parts orders a snap.

Purchasing parts is easy and efficient. Ask us about setting up your business with a new Internet Parts Purchase (IPP) account today.
